Smart Analysis

Text Responses
Course best aspect
(ECON 2250) Lectures and activities
(ECON 2250) Lab activities and final project that works on real world data and examples.
(ECON 2250) Labs
(ECON 2250) labs
(ECON 2250) projects
(ECON 2250) I enjoyed how interactive and practical the instruction was.
(ECON 2250) The best feature was the group assignments, it helped a lot as certain students understood more about certain pieces of ECON2250 than others.
(ECON 2250) I think the best features of this course were collaborative AEs, we do many of those.
(ECON 2250) The best features of this course were the homework activities and labs that helped understand course content.
(ECON 2250) I liked how organized the class was. It had a clear schedule, and all of the notes were posted. This helped me stay on top of my work easily.
(ECON 2250) It provided a good safety net, and a good learning environment.
(ECON 2250) The final project was the most helpful for learning R.
(ECON 2250) The lectures and assignments were very straightforward.
(ECON 2250) I liked the labs and the final project that we did. The research and work we did was interesting and I learned a lot from them.
(ECON 2250) I think the best features of the course was the labs.

(ECON 2250) The group projects
(ECON 2250) The best features were the final presentation and labs!
(ECON 2250) activities and projects.
(ECON 2250) The lecturer is very engaging and enthusiastic.
(ECON 2250) Lectures was interactive and the teacher did a good job at keeping our attention
Instructor greatest strength
(ECON 2250) The instructor was such a ball of energy. I really enjoyed his teaching style and the effort he made to interact with students.
(ECON 2250) Friendliness. Willingness to know the students by their names and backgrounds.
(ECON 2250) Lectures
(ECON 2250) Ability to spread coursework between different types of assignments
(ECON 2250) Afi was very good at relating with us, keeping expectations reasonable, and working with us through the learning process instead of just lecturing information at us.
(ECON 2250) Passion for the subject and success of his students
(ECON 2250) He was able to help students one-on-one, which is always nice.
(ECON 2250) This instructor's greatest strength was his enthusiasm when teaching the course and encouragement and aid in completing assignments.
(ECON 2250) being very personable
(ECON 2250) He was very easy to reach out to and he helped me when I was confused on assignments.
(ECON 2250) Great willingness to help and did great job of providing feedback.
(ECON 2250) He was very communicative, on both subject matter and making sure we understood what it took to succeed in the class.
(ECON 2250) His ability to keep us engaged and communicating with the students
(ECON 2250) Very helpful
(ECON 2250) He knew what he was doing
(ECON 2250) His way to make hard concepts seem easy !
(ECON 2250) Kindness
(ECON 2250) His enthusiasm
(ECON 2250) His ability to answer questions and reply to emails quickly
